Fitness to practise form September 2019 Version 2 General Pharmaceutical Council

The information you provide on the 'Something to declare' form together with the supporting documents you submit should be sufficiently detailed to enable an assessment of your fitness to practise to be made against the relevant assessment framework. Further information on the factors which we take into consideration and the assessment frameworks are available on the GPhC website at www.pharmacyregulation.org

You should only complete this paper form if you are applying for the following:

- The pharmacist pre-registration scheme
- Initial registration
- Restoration
- Return to the register
- Voluntary removal

1. Personal details

If you have registered and need to provide information on a health matter during the course of your registration year you should complete the online form available on the website at https://www.pharmacyregulation.org/pharmacy-professionals-telling-us-about-issue-affecting-your-fitness-practise
